PAW PAW, VAN BUREN COUNTY, MICHIGAN, FRIDAY, JULY 26, 1895.

WHOLE NUMBER 2105.

W. R. SELICK & CO.—DRY GOODS, BOOTS AND SHOES

Why AND

Wherefore

We are going to put on sale to-day some remarkably cheap goods, even for this remarkably cheap age. Ready cash was the pole that knocked down the persimmons, and money down opens the gate so the public may gather them. Not to have the best your money can buy is to show you have no more use for it than a Modoc.

We show on our counters to-day a wonderfully attractive lot of Ladies' Muslin Underwear, just purchased of a big New York manufacturer for spot cash. We make the price so low you can buy them at about one-half what you would pay by obtaining them in the regular way, and much cheaper than you can get the material and make them.

Ladies' Night Robes ranging in price from 33c, 49c, 59c, 75c, 96c and 99c.

Shirts ranging in price from 33c, 63c, 75c and 93c.

Drawers at 19c, 25c, 35c, 43c, 49c, 53c and 81c, including the new umbrella drawers, all finely made and of good material, the better ones superbly trimmed in lace and embroidery. A most thorough inspection invited.

The NORTHERNER is in receipt of a letter as follows from E. N. Dingley, manager of the Kalamazoo Telegraph: "Wednesday, July 31, the Telegraph news boys will give an excursion to Lawton for the purpose of playing a game of ball with the Lawton Juniors. The party will go down, I think, in a special car, leaving here at 6:30 a. m., and returning at 1:30 p. m. There will probably be other simple sports and lots of fun for the boys. Perhaps some of the boys from Paw Paw can be induced to come over and add to the fun."

Owing to the fact that the NORTHERNER goes to press the first thing Friday morning, we are unable at this time to present its readers with an extended report of the county reunion of old soldiers held at Lakeside Park yesterday. It was a success in all respects, even more so than its managers had anticipated. The newly elected officers of the battalion are as follows: Colonel, O. W. Rowland, Paw Paw; lieutenant colonel, J. G. Todd, Bangor; major, J. W. Burlington, Porter; surgeon, J. H. Hall, Lawton. The commanding officer has not yet selected his staff officers.

Mr. Deming, owner of the popular Lake Park resort, concedes the Free Will Baptist picnic last Wednesday, from six Sunday schools, to be the largest ever held on the grounds. The attendance was nearly 700; 600 took dinner, and a number of families arrived after dinner. The program, which lasted about an hour, was a fine one and the audience was very attentive. At 12 o'clock, the grounds were visited by a light shower; but the people being Baptists, they were not in the least afraid of a little water; in fact most of them were wishing for more. Everyone seemed to thoroughly enjoy every moment of the time, and the whole affair was a complete success.

The statement of the Paw Paw Savings Bank appears in this paper. \$66,000 in deposits is one very satisfactory feature of the statement. Last week we printed the statement of the First National Bank, both being at the close of business July 11. The following compilation of figures from the two shows a large business done by these two solid financial institutions: The two banks have \$150,000 capital; their loans and discounts amount to \$268,877.60; surplus and undivided profits foot up the neat sum of \$24,618.03; the total deposits in both banks are \$186,181.48—a marvelously good showing when the fact is considered that the bulk of this amount is made up small deposits, there being few large depositors, heavy estates or trust funds; the cash on hand and with reserve agents is \$12,291.97; besides the loans and discounts above mentioned, the Savings Bank carries \$13,742.62 in stocks, bonds and mortgages and \$3,407.83 in real estate; the National has \$25,000 in U. S. bonds to secure circulation and \$5,300 of real estate besides its banking house and in mortgages. Taken as a whole, the statements are excellent and show safe and careful management. No better banking institutions with which to do business can be found in this part of the state.
